The Luigi Scrosoppi Care Center is a donation-funded project by the Oratorians of St. Philip Neri in South Africa. Since 2012, our support association FOPOS e.V. in Germany has been assisting the Oratorians' work in the township of Oudtshoorn.

The goal of the Care Center, located in the impoverished Bridgton area near Oudtshoorn, is to improve the living conditions of children and young people, enabling them to develop healthily and thrive. Up to 200 children receive daily meals, educational support, and loving attention. Your donation makes it possible to help the poorest of the poor in the Oudtshoorn township.

For detailed information, please visit our website at www.fopos-eV.de. We are also happy to send you informational materials. You can subscribe to our newsletter by emailing Fopos@fopos-ev.de.

Kindergartens, schools, associations, municipalities, and others are welcome to arrange information events with us. For inquiries, please contact us at **Tel.: 05258/4948**.

We kindly ask for your support through donations and/or membership in FOPOS e.V. Companies are also welcome as sponsors.

The distress is great in the township of Oudtshoorn, especially among the children. Many are born into families where they experience violence, alcoholism, abuse, poverty, and illness.

Children and adolescents are often neglected and unkempt.

The goal of the Oratorians in Oudtshoorn is to improve the living conditions of children and adolescents, enabling them to develop healthily and unfold freely. In the care center established for this purpose, up to 200 children receive medical care, warm meals, educational support, and affectionate attention.

For the children and young people, the center is a place full of hope and prospects for the future.

Here, every child can be a carefree child.

Here, every child can be carefree. Children are treated with dignity and respect, and their rights are protected. Each child can discover their talents and possibilities here; play, draw, sing, laugh, tell stories, craft, act in theater, and make music.

Adolescents are accompanied on their path toward a meaningful future. They receive educational support and vocational assistance. Additionally, many families in dire need receive help through a soup kitchen, emergency shelter, and counseling.
